Remarks: AL, I was able to track down a few of the project feedback reports that you were interested in. All of the projects were done before I began working in this shop, so I don't have any information other than that [REDACTED] which you do on the firms. No one here seems to know anything about projects 94-260 [REDACTED] and 94-261 [REDACTED]. We queried our databases & came up with nothing for these individuals. I've enclosed the project feedback from the firms for 94-257
